Nevada City Nugget

VOLUME III, NUMBER 37 THE GOLD CENTER NEVADA CITY, NEVADA COUNTY, CALIFORNIA. THE COUNTY SEAT PAPER JULY 29, 1929

TUNNEL THREE AT TWIN SISTER NOW IN 965 FEET

With the big tunnel advanced to a point 965 feet from the adit on Saturday, the long quest of the Twin Sisters management to get under the rich ore shoots uncovered on the upper levels is nearly ended. Survey maps indicate that the ledge will be reached at a depth of 1040 feet and it is a safe estimate that from 1040 to 1100 feet will reach the desired objective.

President Ray O. Foster of Ukiah was in The Nugget office Saturday afternoon with a sack of fine looking specimens which are coming from the tunnel operations and indicate the presence of ledge matter as the face of the tunnel is heavily mineralized. The work of driving the tunnel is progressing in good shape and it is expected that the next few weeks will see the work completed. As soon as the objective is reached and raises run to connect with the upper workings the company plans on installing a five stamp mill as a large tonnage of ore has been blocked out ready for extraction. A millsite has been graded at the tunnel adit.

With the water supply which has been used for power, running short, the diesel gas engine at the mill has been rigged up and while not powerful enough to run the compressor at capacity, yet furnishes power enough to operate the drills one shift. With the new power line installed, the Pacific Gas figures on furnishing power not later than October 1st next which will fit in nicely with the plans of the Twin Sister company for large time operations.

The Twin Sister is one of the most promising of the newer properties being developed in this section. Ore running up as high as $40,000 a ton has been opened up in the upper workings and is heavy in arsenical sulphides. The mine is on the rich Plumbago vein system which carries southward from the fabulously rich Alleghany ore bodies.

WESTERN MERGER SINKS SHAFT JACKSON VEIN

A new two compartment shaft is being sunk on the Jackson vein by the Western Merger Mines at their property north of town. Excellent progress is being made and the shaft had attained a depth of 70 feet on Saturday. Work was only started this month and in that time an air hoist has been installed and a fan for ventilation. The shaft is of sufficient size and pitch to warrant its being sunk to great depth if conditions warrant.

Inability to pick up the Jackson vein on the 400 level was the cause of the new shaft being put down but the new shaft will make it possible to seek greater depth than would be possible in the shaft which has heretofore been used. Drifting is also in progress on the 400 level eastward from the shaft on the vein.

Harry B. Skewes is superintendent in charge of operations, A. A. Codd of Reno, president and general manager.

SIM JORDAN IS VISITOR

Sim C. Jordan who worked in the mines here a number of years ago was a visitor last week and renewing old acquaintanceships. He worked in the hydraulic mines and around here with Hi Shearer, who recalled old times with a great deal of glee. Sim lost an arm as well as did his brother while they were celebrating Lincoln's election with a canon in 1865.

Misses Nadine and Earline Sutton are spending a few weeks visiting relatives in the bay region.

Mrs. W. C. Bennetts and little daughter of Boca visited in Nevada City a few days.

Congressman H. L. Englebright went to Sacramento Friday on business. Harry is contemplating a swing around his district commencing this week, to keep in intimate touch with the needs of the district.

MINING LOCATIONS ARE PLACED COUNTY RECORD

The following mining locations were filed for record the past week:

Bessie M. quartz in Meadow Lake Mining District by Norman E. Dods, 8200 O'Farrell St., San Francisco.

Frieda A. quartz in Meadow Lake Mining District by Louis Frey.

Jimmy B. quartz in Snow Point Mining District by James C. Kennedy, 111 West 7th St., Los Angeles.

White Cloud quartz in Washington Mining District by A. P. Adams.

SIERRA CITY IS ON THE VERGE OF MINE BOOM

SIERRA CITY, July 27,—This district is apparently on the verge of a large mining revival with the coming of capitalists. The purchase of the Monarch and Primrose properties by the Burkhard interets betokens interseing developments and with other properties being experted, Sierra City looks to be getting on the mining map again.

The purchase of the Monarch properties from Jack Lee is one of the bigest deals put over in a number of years. The buyers are the J. F. Burkhard interests of Los Angeles and are reported to have unlimited financial backing which is essentially necessary in modern day mining. The Burkhard intreetss the past week have also purchased the Primrose property which adjoins the Monarch. The surface plant at the Monarch is being given a thorough overhauling preparatory to engaging in extensive development work. Two shifts are to be put at work opening up the three levels on this property and blocking out ore ready for milling. T. W. Callender who was connected with the Sacred Mount property is now with the new interests.

The Shamrock Gold Mining Company has taken over four patented claims and a millsite near the Dodson ranch. William Kendall of San Francisco representing the Shamrock interests handled the negotiations with H. L. Valkenburgh and Joe Farrell, th eowners. The property is equipped with a five stamp mill. It has been idle for a number of years and not a great deal of development work has been done but preparations are being made for considerable underground work.

The Wilson hydraulic mine adjacent to the highway between Downieville and Sierra City has been taken over by Lewis I. Buck of Los Angeles who proposes to commence operations at an early date using one monitor at the outset. Mining at this property was stopt some years ago by th ecounty authorities due to danger of the highway going out but with the new route going though makes it possible to open up the property again. Clamshell buckets will be used for handling the boulders.

A great deal of interest is being taken in the suits being heard in superior court in which A. E. and J. O. Hayes, owners of the Sierra Buttes properties are suing F. M. Doak of the Young America mine for use of water from the upper Sardine lake. The Hayes brothers seek to enjoin Doak from taking th ewater from the upper lake.

FOREST HILL MINES NOW BEING OPENED

FOREST HILL, July 27, (Special to The Nugget)— A good many of the old mines are starting to work again in this section. The increase in taxes have stirred up the non-resident owners. The local mines are good potential producers and most of the owners did not need the money, holding the land as an estate. Taxing the non-productive, idle properties might be a good way of creating activity instead of hitting the working properties which are pouring out their wealth into the marts of trade.

First Picture Showing Extension of Alleghany Power Line To Spanish Mine By Pacific Gas And Elecric Company Construction Expected To Commence in Short Time

ADEQUATE POWER SUPPLY WILL BRING NEW ERA OF PROSPERITY TO THE RICH EAST BELT OF THE COUNTY

The building of the new power line extension from Alleghany to the Spanish mine by way of the German Bar, Twin Sister, and National group, presages large developments for the future of the East Belt the coming year. The survey is rapidly being completed and may be finished by the end of th epresent week. Procuring of rights of way and preparing estimates of the material needed will proceed apace and it is estimated that not later than October 1st should se the line in operation or close thereto.

The above may gives a clear idea of the country to be covered by the new extension and has been prepared by the Pacific Gas and Electric Company for The Nugget at its request. It is but a suestion of time until the line is carried to a southern connection with the high tension lines of the company, doubtless at the Deer Creek plant where a 6600 line connects with the Drum plant.

ORDERS POURING IN FOR SPECIAL EDITION

The Nugget outgoing mail the past week has been heavy on account of an influx of orders for the Special Mining Number which have been sent to all parts of the United States. Issued in May the edition has seen a large run and has enjoyed a large measure of popularity for a first effort. Material is already being assembled for the edition for next spring which is due to make its appearance on April 1st. The edition will be an annual affair.

YREKA MINE MEETING SET FOR AUGUST 24

The coming meeting of the Northern California Mining Association to be held in Yreka on Saturday, August 24th, promises to be of unusual interest, in that the proposed state mining association is to be actively started in its preliminary formation. The recent meeting at Weaverville went strongly on record as being in favor of the state wide body and with the impetus so far attained it is thought likely that this fall will see the new organization actively functioning.

Lew Carrigan, secretary of the mining association addressed the meeting of the Secretarial Association of the Sacramento Valley recently held at Sacramento and stressed the plan of having various chambers of commerce in the mining districts organizing mining departments. Pesident Gronwoldt of Redding will preside at the Yreka meeting.

The preliminary work so far done by R. L. Kimmel, secretary of the mining department of the Sacramento Chamber of Commerce, has been very effective in awakening interest in a state wide organization which can present a strong front in legislative matters as well as other matters of interest to the mining industry.

FOREST IS LOOKING FOR MUCH MINING ACTIVITY

FOREST, July 27,—Several mining deals being consummated here will probably mean considerable activity the next few months. With the operations at the Bald Mountain and South Fork properties already under way, the sale of the Lucky Dog and Mammoth Springs groups, and reported finding of a new strike at th eNorth Fork, this section is perking up its ears in anticipation.

The Globe Mining Exploration Company of Los Angeles has bonded the Lucky Dog property which is said to carry much pay gravel. The mine has been closed down for a number of years due to adjoining interests. The property consists of 158 acres. A 1700 foot tunnel was run into the mountain. The property is well equipped for commencing operations.

The Mammoth Springs property several miles east of Forest has been bonde by eastern capitalists who have started development work. F. W. Kuhfeld is superintendent in charge of operations.

Work is progressing steadily at the Brush Creek property under bond to the Kate Hardy interests. A new compressor of much greater capacity is being installed. Work was temporarily held up recently due to breakdown of the rock breaker. The ore going through the mill is holding up well in values.

FIRE CHIEF ELECTON

The annual election of fire chief is slated for tonight at Pennsylvania Engine Company headquarters. Forrest Penrose is slated for chief with Otis Hardt as assistant chief.

JIM O'BRIEN CALLS

Jim O'Brien of Smartsville, daddy of the Tahoe state highway, was a Nevada City visitor Friday and talked road material with a number of local people. Jim lives, sleeps, talks, and eats roads. Nevada county and Nevada City are highly indebted to Jim for his stalwart work in behalf of the Tahoe Ukiah route.

ENGLEBRIGHT BILL TO EXEMPT GOLD FROM TAX

The Mining Congress Journal of the current issue gives a short review of H. R. Bill 2827 introduced by Congressman H. L. Englebright which proposes to exempt from Federal taxation income derived from the mining of gold within the United States, and dividends from domestic coroporations derived from such mining. The bill is now before the Ways and Means Committee of the House. This bill is one of Harry's pet measures and its passage would accomplish a great deal for the gold mining industry, which has not in the past received much governmental aid.

YELLOW TIGER IS WORKING GRAY EAGLE IN SIERRA

The Yellow Tiger Consolidated Mining Company is getting under way a thorough program of investigation and development at the Gray Eagle Mine in Sierra County his company spent a considerable sum of money on the property in 1928 with encouraging results and present efforts ase directed toward the compete blocking out of a tonnage of ore sufficient to warrant a treatment plant. The ore is in general low grade and refractory in nature but tests to date indicate that a satisfactory process can be worked out and that the property stands a chance of becoming a large producer.

G. M. Bettles is in personal charge of operations at the present time and with his family is spending the summer months at the mine camp on the North Yuba river.

ADVERTISING BRINGS ORDER FROM MICHIGAN

A Nugget reader back in Michigan has written the following letter to H. W. Hartung & Son, who have been steady advertisers in this paper from its very inception:

"With pleasure to note that I'm a reader of Nevada City Nugget and having seen your advertisement, wish to ask if you will please forward your catalogue, giving information on all your work of jeweiry manufactured from nuggets and gold dust, please. Send me a scarf pin to the value of $8. by parcel post prepaid".

Those merchants and organizations who are using The Nugget advertising columns are making it possible for Nevada City to have a newspaper of her own and to advertise to the great outside world that we are the center of the gold mining industry.

CLARA BOW IS GOLD DIGGER AT ALLEGHANY

Clara Bow, titian haired lady of the silver screen has associated herself with other Hollywood celebreties and has taken over the Belmont and Seneca claims in the Alleghany district. Development work is proceeding under the superintendency of Pete Flowers.

FRANK WEHE ILL

Frank R. Wehe, native of Sierra county and heavily interested in minin gproperties there, is reported seriously ill in San Francisco. He suffered a stroke of paralysis last wek but it is thought that he will pull through. He is said to have been the first white boy born in Downieville. He is known as one of California's leading lawyers on mining law.

Mr. and Mrs. W. L. Penders of Pacific Grove are here visiting his many old time friends. He lived in Nevada City and Blue Tent while a boy. He is enjoying meeting several friends. W. L. Watson of Berkeley accompanied them on the trip.

Ignition Parts and Accesories at Miner's Foundry. 24tf

J. V. OWENBY IS REMINISCENT FOREST MINES

J. V. Owenby, general manager of the Nevada Monarch Gold Mining Company operating the Bald Mountain and South Fork properties at Forest, was in town on business Thursday while on his way to the mines following a business trip to the South. The securing of the properties by his company climaxes a desire to operate in this district of many years standing.

It was in 1883 and 1884 that Mr. Owenby first visited this section and became convinced at that time that this district offered the finest mining opportunity that this country afforded. He had been raised in Colorado and had followed mining in that state for a number of years. His first stop was at Nevada City and Grass Valley. It was in November 1883 and everything was booming. Real mining on the great ledges of auriferous ore was just commencing. The rich placer mines had been worked up the Yuba as far as Downieville and the quartz ledges had been neglected, largely due to their real value being unknown and the lack of proper equipment. At that time every acre of ground was located and it was not possible to lease anything that could be worked with small capital. Mr. Owenby went to Forest City where he learned the history of the properties and was particularly impressed with the properties which his company has now acquired.

In 1878 it was considered that the placer gold in the South Fork creek and Oregon creek were worked out, but an old miner discovered an underground channel but having no money to work it organized a syndicate of twenty working men. Each agreed to put in $1000 cash or work out their share They are reputed to have taken out $3,250,000 in gold and at the end of four years divided up two million dollars. All went their way except one who tried to get others to stick with him and open up a deeper channel which was discovered in sinking a 62 foot shaft, but none of them were willing to take the chance. A new partner coming along helped out and they are said to have taken out $120,000 before being driven out by water. For years they did the assessment work and waited for some one with more money to come along and open up th eproperty further. Different partners were taken in but not much was accomplished until the last of the old owners died in Long Beach last winter and the property goiug on the market was picked up by A. E. Place, mining engineer of Lso Angeles who transferred it to Mr. Owenby and his associates.

During the placer operations five rich ledges are said to have been encountered but none were worked. Sampling done by Owenby convinces him that they are continuations of the famous Sixteen to One and Yellow Jacket vein systems which have produced so many millions. The Sixteen to One is said to have produced around $23,000,000 in the past 23 years and with its important discoveries on the 2700 level indicate that its vast storehouse of wealth is far from becoming exhausted.

Mr. Owenby states that in his fifty years of mining experience he feels that the Bald Mountain and South Fork properties form one of the richest possibilities in the United States.

The Nevada Monarch interests purchased the hotel property at Forest and renovated it to provide modern quarters for visitors to that community. Forest has visions of again becoming a great gold mining camp.

MRS. JOHN LOPEZ PASSES

Mrs. Clara Lopez, widow of the late John Lopez passed away last week in a Sacramento hospital. Two children survive. The funeral will be held from ESt. Canices' Catholic church this afternoon at 2:30.

Auburn won from Grass Valley in the postponed game of the Foothill League, 6 to 5.

COZY CORNER CHAT

THERE HAS BEEN a lot of pother over the conduct of the business of Placer county by the supervisors of that commonwealth as excavated by a special firm of accountants and several of the newspapers down that way have gone to great lengths to depict the board as a bunch of alleged treasury raiders. There is one point which has largely been overlooked with regard to the membres of the board personally; has there been any criminal intent to defraud the county of Placer? Outside of the fact that one of the board accomodated the county with some sales of dynamite at a reputed price of two cents a pound cheaper than the market price and hauled some goods over his stage line, holding the state and federal franchise for such work, and another one is said to have some blacksmithing done at his shop, not much has been unearthed of a nature to make any one go into hysterics. The great trouble with public busines is that it is so hedged in with technicalities and multitudinous laws that were a preson to follow the letter of the law strictly, it is doubtful if much business would be transacted. The best thing thing to do is to elect honest men to office and then tell them to run it in a business like manner and for the best interests of the tax payer who foots the bills. The whole question in Placer county is as to whether the supervisors have administered the business of the county in an economical and efficient manner, or not. There are angles to other officials connected with the report which is not material to the present line of thought. In the collections made by Supervisor Haman not one scintilla of evidence has been adduced that he appropriated one cent of the money to his own uses and that is really the important part of the whole proceedings. It would probably be better for the county clerk to mail out the warrants to the various ones entitled to them rather than have any one cashing them, which would clear up the whole trasaction but it is not certain that this would work out any better. One point that is material in the report and that is in the matter of publishing a fair statement of the proceedings of each session. It is doubtless true that the county boards publish but very little real info and few if any publish the detailed list of claims presented for payment. Michigan compels the publishing of such list for the information of the tax payers and each paper in the county is given such list to publish, with the result that the people generally are informed just where their money is going. The people are entitled to know just what their servants are doing and just how they are spending their funds. The sensation down Auburn way will die down and when the smoke of verbal battle has cleared away, it will doubtless be found that the supervisors were regular fellows and were endeavoring to work for the best interest of their constituents.

THE WAY THAT new subscriptions are pouring into this office from people interested in minnig indicates that The Nugget is getting well known in the outside world for its wealth of information on mining conditions in this and Sierra counties. Not only does this paper print more news in the course of a year on mining than any other newspaper in California, but it endeavors to check its sources carefully and to get its material oked by those in authority at the different properties before printing. It sometimes loses out on good stories as a result of this practice and it sometimes gets imposed on but not often. Mining men generally have a kindly feeling for the paper as it has been felt for some years since the Mining and Scientific Press went out of business, that California needed an organ cultivating mining news. It would be a happy day if it were posible to issue a publication devoted entirely to mining news and articles. When the business warrants the issuance of such a publication, it is our hope to launch such an enterprise. Many outside people have remarked to the publisher that Nevada City and Nevada County are fortunate in having a newspaper which has done so much for the mining industry of this section the past three years. We hope to continue to merit such complimentary mention in the years to come. AAW

BUSINESS MEN PRAISE NUGGET MINES NUMBER

A. W. Johnson— "Please send the "Special" and the paper to my home address for six months".

Theo C. Dorsey— "Herewith remittance for your paper and the special mining number. Best of luck".

The following letter from John S. Pinney of San Francisoc, Pacific Coast manager of the American Type Founders Company, is self explanatory:

"I am glad to have the special mining number of your paper brought by Mr. Metzker today. I did not know Nevada City has so many mining interests. Some day when I am old, or the company says I am too old for their service, I shall enjoy myself traveling around the mountain counties and learning more about my own state. In the meantime yours and other papers will help along my California education by sending me special and regular numbers from time to time. I never overlook them."

The following one from A. E. Place, mining engineer of Los Angeles is much appreciated:

"I note with appreciation that you are serving the mining interests of your section with accuracy and efficiency. Please accept enclosed check for one year's subscription."

Lloyd W. Jennings is rebuilding the rear portion of his Sacramento street home.

Examinations for drivers' licenses were conducted by state traffic officers here the past week, a large number of applicants taking the tests which were largely of a mental nature.

Mr. and Mrs. Hartley Lord and children of Berkeley came up for a visit with his parents, Mr. and Mrs. A. S. Lord. Mr. Lord returned after a few day's visit and the family remained for a few days longer.

County Assessor Henry C. Schroeder was operated on at the Woodland clinic last week for the removal of gallstones. He is said to be progressing nicely following the operation.

Mrs. C. Muscardini of Nevada City and daughter and family, Mr. and Mrs. Henwood and two children of Oakland spent a week on a camping trip near Downieville and on Lake Tahoe, returning home the latter part of the week.

The choice of those who've tried 'em all

NORTH SAN JUAN ITEMS

NORTH SAN JUAN, July 27, (Special to The Nugget)— Ernest Collins and Wm. Kessler went to Marysville Friday.

Louis Dehneke of San Farncisco is spending several weeks with relatives.

Roy Kerwood who has been employed at Alleghany is spending several days at the National Hotel.

Bill and Charles Ennis, Orvel Covell and Ted Gee attended the dance at Wilson's Saturday night.

Ray McCullough and Raymond Fogarty went to Nevada City Saturday night.

Mr. and Mrs. R. Dahlberg and children of French Corral spent Sunday afternoon pisiting.

Joe Swazey and Jack Phelan of Tyler made a business trip to San Juan Monday evneing. Joe reported the Siberia Mine is to start work this week.

Mr. Tom Mulcahy and Lou Polasier of Grass Valley spent a few hours here Monday.

Mr. and Mrs. James Phelan and Mrs. T. Flynn of Tyler were in town Wednesday evening.

Miss Norma Kessler left last week to visit relatives at Marysville.

George Wayman and Mrs. Gordon Woods of Pike passed through town Thursday from Nevada City.

Harold Bresford and Wm. Trelor of Moonshine Creek were business visitors.

Chas. Barton left for Downieville where he is employed.

Jake Zanocco of Nevada City was in town Sunday.

Charles and Bud Ennis and Wm. McCulough left Monday for Marysville where they will visit friends for a few days.

Quite a number of young folks attended the baseball game at Wilson's Sunday.

Miss Bertha Velasco and brother, Vernon, and Roy Thomas of Marysville spent Tuesday here, returning Wednesday.

Francis Bartsch and Leoretta Bartsch and Mrs. J. Kelly of Moonshine Creek spent Friday visiting friends.

Mr. and Mrs. Louis Dehneke and son, Norman, and cousin of Palo Alto were the guests of Miss Lena Dehneke and mother.

Mrs. R. Bartsch and sons Raymond and John, of Moonshine Creek spent several hours Wednesday evening on business.

Chas. Green passed through town enroute to the upper country.

Mr. and Mrs. Gordon Kessler and family and Wm. Kessler and Ernest Collins went to Colfax Friday.

George Sweara left for Los Angeles where he will remain for some time.

Chas. Buhl of Browns Valley spent several hours in town Wednesday.

Joe Frank of Rough and Ready was a business visitor Thursday.

Carmel Reader of Sweetland was in town Thursday.

Raymond Fogarty and Mrs. Josie Dahlberg went to Sacramento Saturday.

Mrs. K. Fogarty and daughter, Lucille, were business visitors in Nevada City Saturday.

Mr. Neilson, Buzz Calanan, Miss Violet Miser and Mrs. Dudley of French Corral spent Wednesday evening in town.

Wm. Moulton of French Corral was a business visitor the other evening.

Miss Therea Connor and brother, Mike, of Birchville were in town Wednesday evening.

Mr. and Mrs. E. Sage and son, Clyde, and grandson will leave this week for Los Angeles. The Sage family have been here two years and have made a large number of friends who regret to see them leave.

Mr. and Mrs. Frank Woods and son, Carl, of Sweetland spent several hours in town Friday evening.

Miss Mildred Reader of Sweetland visited friends Friday evening.

Mrs. H. Thomas and children of Birchville were business visitors for several hours Wednesday.

The board of library trustees have reorganized with reelecting Judge F. T. Nilon as persident for the 28th time. Benj. Hall was seated as a member of the board to succeed the late Fred Searls.

Nine carloads of fruit growers made an inspection trip through the orchard district of El Dorado county last week and obtained valuable information regarding soils, spraying, pollination and grafting.

Mr. and Mrs. John McMillan of Colusa were visitors in this city. Mrs. Mirian Guest of Merced came up with them and is visiting her sister, Mrs. Mattie Reynolds, for a time.

George Wayman of Pike City accompanied his brother, W. H. Wayman to Nevada City to receive attention to an arm and hand that were injured in the explosion of a shotgun.

Mr. and Mrs. John Solaro, of Susanville, attended the fureal of his brother-in-law, Peter Bariletta. After the funeral, his sister, Mrs. Bariletta, acompanied them home for a short stay.

Mrs. Ed Smythe is visiting her niece in Los Angeles.

Mrs. O. D. Campbell is home from a trip to Salt Lak eCity. She accomanpied Mr. and Mrs. L. Seibert on an auto trip to Utah.

MINING PERSONALS

L. F. Lorenz of Los Angeles was in town the past week on his way to his extensive mining properties near Camptonville.

J. V. Owenby general manager of the Nevada Monarch Gold Mining Company operating the Bald Mountain and South Fork properties at Forest was in town Thursday on his way to Forest agter a business trip to Lo Angeles.

I. B. Scrimger, mining engineer of San Francisco, has been here on business for a few days.

Mr. and Mrs. Roy Kimball, of Graniteville, were in Nevada City recently. They have mining claims in the Graniteville section.

Mr. and Mrs. A. L. Gill spent a week at Byron Hot Springs.

E. A. Hayes who has an interest in the Sierra Buttes mine, came up from San Jose and wen t to the property for a visit.

Walter Wood, who is interested in mining in old Mexico, passed through here during the week enroute to his old home at Sweetland.

Otto Schiffner, superintendent of the Gaston mine, is slowly recovering from a severe spell of typhoid fever.

S. C. Jordan, mining engineer stopped over here on his way to the Oakvale placer mine in Steep Hollow.

Fletcher Hamilton, former state mineralogist of San Francisco, was here on a business trip.

George Wayman of Pike City was in Nevada City last week.

FRENCH CORRAL ITEMS

FRENCH CORRAL, July 27, (Special to The Nugget)—Well, here we are at the last week's "items" for July.—

Th esummer is speeding on and we of "The Ridge", begin to fear we may again be confronted with a water shortage. While we hope for the best things look rather dubious. Those who have never gone through the experience of a "water shortage" can hardly realize what a serious thing it is, and what a trial and hardship to those who must endure it. To watch the fruits of your labor dry up and die and think of the financial loss entailed thereby is a most discouraging situation. When we know that we have rights that should be recognized, and would do away with all this trouble, it makes the situation that much harder to bear.

We were pleased to read that at a recent meeting of the S. J. R. W. A. "Ways and Means Committee" with the N. I. D. a satisfactory agreement was reached. We sincerely hope a solution of our difficulties will soon be reached and we can truly feel that the San Juan Ridge will live again.

Water, or no water, people come back, and strangers too come our way and fall in love with our section of country.

R. Kirkwood who has been employed at Alleghany for the past year paid a visit to his mother, Mrs. J. Kirkwood, of this place, last week.

George Pantages, representing the Roseville Meat Market, made a trip through this section Saturday. He was offering a good price for veal.

Miss Millie Clerkin and Ralph Carpenter were Saturday visitors and returned to Pike City Saturday evening.

Mr. and Mrs. R. McNamara of Tyler visited relatives Sunday.

Mrs. K. Broyles and family of Sacramento spent Sunday at their home in French Corral.

Mr. and Mrs. Bobbs and children of Shady Creek visited Mrs. Bobbs' sister, Mrs. Clark, Sunday.

H. M. Bailey and James Simmons of Parks Bar are sojourning in French Corral for a while. They are doing some prospecting in the mines.

W. E. Moulton made a business trip to Marysville Monday.

J. Swazey, H. Musfield and Jack Phelan were here Monday evening.

Mrs. H. Hartung and son, Herman, of Pleasant Valley visited friends here Monday afternoon.

Clyde Browning made his usual trip to Downieville Monday taking fruit and vegetables to up country customers.

Mr. and Mrs. F. S. Wood and son, Carl, of Sweetland, Mr. Wood's brother, Walter Wood, of Mexico City, were visiting old friends in French Corral Tuesday. Mr. Walter Wood has for many years been in the employ of a mining company in Mexico, and during his vacation delights to return to the town of his boyhood. Mr. F. Wood returned last week from Garden Valley, where the dredger on which he was employed suspended operations.

Levin Brown of Sweetland was a business visitor this week.

Mrs. P. H. Flynn and Miss Dorothy hite of Nevada City spent Wednesday afternoon with friends in French Corral.

Mrs. K. Sullivan and A. Browning made a trip to San Juan Wednesday evening.

Mrs. E. Sutherland and son, Richard, returned from their visit to Oakland Wednesday night. They were accompanied by their friend, Miss Marian Manderschite.

Mr. and Mrs. Jas. Thompson of Santa Maria, Santa Barabar county, were making friendly calls on old neighbors and friends Thursday. They are ex-residents of Sweetland and still own their ranch near that place.

Miss Millie Clerkin made a hasty trip to her home near this place Wednesday. She brought her friend Chas. Buhl, who was taken ill, to San Juan, where Mrs. Buhl met them and took her husband to the sanitarium.

Supervisor Joseph Frank had business in this section yesterday.

Sorry to note that S. McCullough continues quite ill.

While moving a machine drill at the Murchie mine last week, it slipped and crushed the chest of Oscar Flamberg who was moving it. The wounded man was brought to the Nevada City Sanitarium where he was treated by Dr. A. H. Tickell.

Mr. and Mrs. J. B. Young have as a guest their son, Eugene, who is a student at the College of Pharmacy of the University of California.

GRASS VALLEY PERSONALS

Mrs. E. J. Mitchell motorde over from Oroville and visited Mrs. Will Spargo during the week end.

Miss Ida Muscardini is visiting in Alleghany.

Mrs. Sarah Mitchell has as guests, Mr. and Mrs. John Wirth and son and daughter.

Eric Schindelheim of Vallejo visited relatives in Grass Valley a few days recently.

Wm. Tremewan came up from Sacramento and spent the week end visiting.

Mrs. Don Bennetts, who has been visiting friends and relatives in Sacramento for the past few weeks, has returned home.

A birthday party in honor of Mrs. Evelyn Hocking was held Thursday evening at Memorial Park with a picnic supper and sports as features of the evening. A supper was served at 5:30, and after a few games had been played, the park plunge was utilized for a swim party.

Ivan Brown came down from Truckee for the week end.

Alfred Williams and son, Will, of Oakland visited Mrs. E. J. Bennetts. They accompanied Mr. and Mrs. Ben Rule and Mrs. E. J. Bennetts to the bay region where the latter parties will spend a short time visiting.

The J. E. Collins family have as visitors, Mrs. M. S. Reynolds and son, Harold,, and Miss Dorothy Collins, all of San Francisco.

Miss Lois McCab espent a few weeks visiting in Marysville.

A Sacramento theatre party from Grass Valley was composed of the following: Mr. and Mrs. Arthur Hellings, Mrs. Tamietti and Miss Marie Bertino.

Miss Roberta Green spent three weeks in Oakland visiting relatives.

Allen Bunney of San Jose visited his brother, Earl, recently.

Miss Ruth Mitchell visited for several weeks in Los Molinos.

Mrs. Otto Rust spent a month's vacation in Oakland.

Dan Levy of Lowell Hill spent several days in Grass Valley.

Mr. and Mrs. James Sampson are vacationing at Los Gatos.

J. J. Looser was a recent visitor in Marysville.

Mr. and Mrs. Gove Celio took their son, Gove, Jr., to St. Helena for the benefit of his health. Mr. Celio returned home a few days later.

Mr. and Mrs. Earl Beatty of Fresno are visiting her mother, Mrs. George Downey, of Nevada City.

Robert Deward of the University of California at Berkeley spent the week end in Grass Valley.

Mr. and Mrs. Ned James are home from their honeymoon.

Mr. and Mrs. T. M. Harris and son, Rodley, are spending a week in San Francisco. He attended the furniture dealers convention.

Guests at the Sam Saxon home recently were Mr. and Mrs. Wm. DeWolff of San Francisco.

Mr. and Mrs. Kenneth Lombard of Sacramento visited in Grass Valley and Bridgeport during the week end.

Mrs. Ida Wood and daughter, Miss Georgia, visited in Oakland for several days.

Mrs. G. G. Wetreau of Sacramento visited Mrs. B. F. Butler of Lime Kiln recently.

Mr. and Mrs. Richard George spent the week end at Lake Tahoe.

W. E. WRIGHT,

Notary Public in and for the said County of Nevada, State of California.

Name of Bank—Bank of America of California No. of Bank—859

CAN BE SPENT ANYWHERE BECAUSE THEY HAVE BEEN SPENT EVERYWHERE

During the vacation season, people often wonder which is the safest way to carry their funds while away from home. The ymust always have money available, yet they feel that they are aways subject to losing it in one way or anoher.

Travelers' Cheques are issued by this bank and can be cashed at all banks and express offices and hotels by merely writing your name. There is hardly a place where they are not accepted. They are amost equivalent to currency, and if they are lost or taken away, you are not out their value, because they cannot be cashed without your signature.

Anywhere in the United States they are accepted at their face value. They come in convenient denominations. They cost but seventy five cents per $100.

PELTON MONUMENT TO BE DEDICATED AUGUST 31

CAMPTONVILLE, July 27th Lee Bullington has been given the contract for the construction of the Pelton Monument and will begin operation shortly. Most of the material, including 6000 pounds of cement, and the gravel is now on the ground and ready for the work. The monument will be placed on th ecorner lot of Main Street, where the old blacksmith shop used to stand, and on the site of the old tinshop of Mr. Pelton. It will be 10 feet square at the base, rise to 11 feet, and have a fourteen inch all iron water wheel, an old time Pelton, mounted on a shaft on the top.

It will be marked by a large bronze tablet, 18X24, which has been kindly donated to the committee by W. M. White ,manager of the Allis Chalmers Company, Wis. Mr. White's firm feels that the commemoration of Mr. Pelton's great invenion and work is well deserving of being preserved, and its conribution to the monument, which represents a considerable saving to the committee is greatly appreciated by the community.

The mounment is to be finished by the end of next month and on the 31st of August, dedication ceremony will be held at which time the Grand Lodge of Masons of California will convene here and dedicate the monument with a fitting ceremony. A platform will be erected on the ground for the speakers and musicians. A huge benefit dance will be staged that night, with the usual characteristics which Camptonville always is proud of.

When the monument is started a copper box, containing a history of the community and Mr. Pelton's work, a list of all the names of the local Masonic Lodge, a copy of The Nevada City Nugget, Appeal Democrat and the Mountain Messenger will be sealed up similar to the corner stone laying ceremony.

The boys of the Camptonville school and a group of Nevada City boys of the same age played baseball Friday, the rest of the schools and the people of the community attending. The Nevada City boys were brought up by Rev. H. H. Buckner, pastor of the Methodist Episcopal church at Nevada City, and the game was made possible through the cooperation of the pastor and hte local high school teacher, Mrs. Kate Hope Livingston. The Camptonville boys took home the bacon, the score being 28 to 21. The following team represented Nevada City; Edgar Davey, c.; Bill Tamblyn, p.; Jim Davis ss.; Bob Tamblyn, cf.; Carl Murchie rf.; Bob Polglase, 1b.; Carl Hiermonimus, cf.; Carl Baker, 2b.; Bill James 3b.

Camptonville base ball team lost in a game played Sunday afternoon at Jaynes field with a team from Marysville 18 to 25.

A group of local people left Monday morning for a two week's outing and fishing trip at Lake Almanor. The party included William B. Meek, and Julius E. Pauly, of this place and Earl L. Cleveland of Sacramento and others.

James Grimes of Oakland returned Saturday and went to the American Flag Mine where he is doing some work.

Miss Helen McCullough, Evelyn Kessler, Chas. Ennes, and William McCullough, II all of North San Juan were here Sunday.

THE NUGGET PAGE OF MINING NEWS

MODOC COUNTY

The Jim Coffey mining property near Fort Bidwell has been taken over by James H. Vance and son of Wyoming who propose to undertake extensive development work. The old camp at High Grade north of Fort Bidwell that had a hectic growth during its brief career may again be revived.

AMADOR COUNTY

A long tunnel is being dirven at the Wild Cat property to get under the old workings which had to be abandoned because of excessive water. Property was formerly a large producer.

DEL NORTE COUNTY

The French Hill hydraulic property is being reopened and is to start operations this week. Five miles of ditch have been constructed. Two monitors have been installed with 2000 miners inches of water available. The property is said to have a past production record of two million. Keep the stuff quiet from the anti debris crowd because they would have you believe hydraulicking is a dead isue in California.

EL DORADO COUNTY

The California Mother Lode Mining Company has acquired the following claims near Placerville by outright purchase: Lucky and Electric patented caims. Silver Pine, Gold Bug and Golden Eagle locations. The lease and option of C. C. Herbert on the Gardiner Consolidated properties hav ealso been taken over by the same interests. Extensive development is contemplated.

The Golden Globe Mining Company, a Nevada company, are proposing to operate a dragline outfit on South Webber creek at Newtown. Machinery is being installed.

CALAVERAS COUNTY

A strike of high grade ore is reported on the 100 level at the Osborn mine near Angels Camp. A drift had been run 17 feet from the shaft when the pocket was picked up in the center of the drift. The Osborn vein is a west spur of the Mother Lode. The property is under option to the Belmont-Osborn Mining Company. Todd Elliott is manager.

The exhibition arastra erected at Angels for the recent celebration showed a cleanup of a $35 brick from a ton and a half of ore milled from the old Mexican mine at Murphys.

The old Central Hill channel being opened up in the Vallecito Western mine now shows a width of 300 feet. Hitherto the channel showed only a width of 75 feet. Don Steffa is manager.

Pay gravel in a channel five and a half feet thick is said to have ben picked up in the Ozark mine near Murphys being developed by the Butte Mining Company. A washing machine and riffles are being installed. The adjoining Garland ranch has also been taken over by the Butte interests.

MARIPOSA COUNTY

A shaft is being sunk on the White Oak claim at Barleyfield, under contract by D. R. Jones. The section had rich placer diggings in early days.

A compressor has been installed and the mill overhauled at the Spread Eagle mine in the Whitlock district. The 200 foot shaft is being deepened another 100 feet. Martin Tresider is in charge of operations.

The mill at the Buena Vista property owned by Belle McCord Roberts is now working on a large tonnage of excellent milling rock.

The mill at the Colorado quartz has been overhauled. The shaft is being deepened 100 feet. The property is under bond by the Belmont Metals Corporation.

Pettibone, Long and Hill of Oroville have bonded the Carroll holdings near Bagby and are reported to have cut a rich shoot of ore. A power line has been built to the property.

The drift on the vein at the Crown Peak property near Bagbq is showing encouraging values. Milling equipment is contemplated. A power line has been installed.

MINE FOR SALE

Drift gravel placer mine 46 acres, 1760 feet of channel. All new ground.

Mine run from 200 feet of tunnel $7. per ton car. Jas. Gavin, Forest Hill, Placer County, Calif. 37-40*

Mrs. Richard Azcarate and little son returned to their home in Oakland after a visit with relatives and friends here.

Miss Lillian Thomas of Connecticut is the guest of Mrs. Charles E. Parsons.

Mr. and Mrs. A. H. Reynolds are on a trip in San Francisco and Sonoma county.

SISKIYOU COUNTY

Walter B. Robinson, former field engineer for the Blue Ledge mine, has been appointed superintendent of the Black Bear mine in the Salmon river country. W. J. Elmendorf is managing director.

C. L. Brown and Thomas Spitzner have commenced suit in superior court against J. E. Perdue et al seeking to gain interests in certain mining properties and for an accounting of mineral extracted therefrom. The suit alleges that Perdue was staked by the plaintiffs and agreed to divide any minerals extracted and to give a half interest, which it is claimed wasn't done. The claims in question are in the Elliott creek district.

SIERRA COUNTY MINING

The City of Six Mine in Slug Canyon is installing a shanking machine for shanking drills, which heretofore have been sent out for that purpose. This will facilitate the work at this mine considerably.

The Bedrock gravel mine, an old producer, which has not been in operation for a long time, will be opened up soon if negotiations now under way are successful. This is a drift mine that has produced well in former years and is owned by Mrs. Cunningham of Pike City.

CHEROKEE PROSPERS

CHEROKEE, July 27, (Special to The Nugget)—Rev. Father O'Reilly celebrated mass in Cherokee Sunday.

Carl Coughlin was visiting his aunt, Mrs. Ellen Coughlin, on Sunday.

Mr. and Mrs. R. McNamara were business visitors in Nevada City Citq Tuesday.

Mr. and Mrs. George Loures, the new owners of the Roth ranch, were visiting friends here Sunday.

Mrs. James Phelan and mother, Mrs. T. Flynn have returned to Cherokee after spending their vacation in the bay cities.

M. Wisler is visiting his old home in Cherokee.

H. Meyer and Alton Moody made a business trip to Nevada City Thursday.

The Siberia mine is moving camp over where they can have the water pumped in to camp and will make a great change in the camp, as water is everything in a mining camp.

R. Silva has returned to Nevada City after several months work in the Siberia mine.

K. J. Phelan received a card from his cousin, John Meehan, and family of Sacramento, who are visiting at Yellowstone Park, and he states that it is a wonderful place for scenery and people from all over are gathered there on their vacation. Mr. Meehan made the trip by auto.

Jordon Anderson has gone to the bay cities to remain.

One of our neighbors has lost quite a large patch of corn and another has lost their tomatoes all on account of no water. It seems too bad to see things wither and die after so much hard work.

L Calanan and Frank Murphy were hauling poles with a four horse team Saturday and it seemed like olden times to see teams on the roads again. Almost everybody can drive an auto but there is not many that can handle teams of eight and ten horses.

Mr. and Mrs. E. Pollard of Nevada City were visiting in Cherokee Thursday.

Mr. and Mrs. J. Thompson of Santa Barbara were visiting friends here Thursday. Mr. Thompson works in th eoil fields.

Werner, the Nevada City Sanitarium, Miss Margaret Coughlan and the Holmes Funeral Home also shared in the award. W. E. Wright appeared as attorney for Bentley.

WHAT DR. CALDWELL LEARNED IN 47 YEARS PRACTICE

A physician watched the results of constipation for 47 years, and believed that no matter how careful people are of their health, diet and exercise, constipation will occur from time to time. Of next importance, then, is how to treat it when it comes. Dr. Caldwell always was in favor of getting as close to nature as possible, hence his remedy for constipation, known as Dr. Caldwell's Syrup Pepsin, is a mild vegetable compound that can not harm the system and is not habit forming. Syrup Pepsin is pleasant-tasting, and youngsters love it.

Dr. Caldwell did not approve of drastic physics and purges. He did not believe they were good for anybody's system. In a practice of 47 years he never saw any reason for their use when Syrup Pepsin will empty the bowels just as promptly.

Do not let a day go by without a bowel movement. Do not sit and hope but go to the nearest druggist and get one of the generous bottles of Dr. Caldwell's Syrup Pepsin, or write "Syrup Pepsin," Dept. BB, Monticello, Illinois for free trial bottle.

THE SOCIAL WHIRL

MRS. GEORGE A. LEGG IS HOSTESS AT BRIDGE

Mrs. George A. Legg gave a bridge luncheon at the National Hotel Thursday afternoon complimenting her mother, Mrs. V. S. Bradley. Luncheon was served at the tables after which bridge was played. Prize winners were Mesdames F. W. Bradley, F. C. Worth, Jewett Thomas and the guest of honor. A number of out of town guests were present.

MISS HELEN FULLER WEDS JOHN ROHRER

Miss Helen Fuller, a former resident of Nevada City was recently wed to Mr. John Paul Rohrer of that city. The ceremony took place in Oakland. The bride who is a graduate of Stanford University has been teaching at Fresno. She is a daughtre of Mrs. Melissa Fuller. The groom graduated from the University of California and is in the insrance business.

TOO MANY HOMELY KNEES SKIRTS COMING DOWN

Miss Anna Doyle, the buyer for a large Sacramento store on returning from eastern style centres has the following to say in the Sacramento Union:

Skirts are to cover the knees this fall by at least one and one-half inches, and bare legs are a thing of the past. Everyone in New York who is chic wears hose.

"I am glad the bare legs are to go out of style, because there are so few whose legs are pretty enough to wear short hose. The same is true of knees, for, after all, pretty knees are very rare, and with the longer hemlines we'll be able to conceal the homely ones", remarks Miss Doyle.

DANCE AT ALLEGHANY

A social dance is scheduled for Alleghany next week Saturday night and it promises to be largely attended as a good time is always assured. The music is by Vance Leonard's Venetians which orchestra is very popular with the dancing pubiic. Midnight supper will be served.

NEW EDITRESS ARRIVES

A new editress has arrived to augment the staff of the Truckee Republican, Dr. Stork having presented Mr. and Mrs. Walter Waynflete with a winsome daughter the past week. The new volume in the family library is a first edition.

Finding old coins is a favorite occupation hereabouts lately. Charles Reed dug up an old coin of the vintage of 1802 in his yard last week while Miss Lorene Smith uncovered one dating back to 1850.

T. E. Davies of Alleghany was here on a business trip last week.

L. W. Woods of Pike City was in Nevada City a few days ago.

BEDFORD COMMENCES SUIT

An aftermath of a collision on the Auburn highway last year is seen in the filing of a suit by Robert H. Bedford in behalf of his minor son, Robert, against C. Carveth and others in superior court the past week. The Bedford car was driven by Mrs. Ida Bedford and careless driving by the defendant is alleged.

PHILLIP DERRIG PASSES

Phillip Derrig, one of the old time miners of the hydraulic days, passed away at Live Oak the past week. The remains were brought to Grass Valley for interment. He came from Ireland in 1866 and the major part of his lifetime had been spent in this county. He was married in 1894 to Emma McCauley of Nevada City. Three daughters survive. A solemn requiem mass for the repose of his soul was celebrated at St. Patrick's church Saturday morning.

CHARLES LOUGHBRIDGE PASSES

Charles K. Loughbridge, a native of Nevada City, passed away in San Francisco last week after a lingering illness. He attended the schools here and then went to Sacramento where he was employed by an oil company. Surviving are the wife, a small daughter, the mother, and a sister.

WILLIAM CHACE PASSES

William Mark Chace, a former resident, passed away at his home in Berkeley last week after a short illness. He was born at Omega. Surviving are a widow, mother, two sisters and a brother.

PROMOTING A COMMUNITY CLUB

C. P. Klinker is promoting a community club at Forest which looks to be an excellent idea .Mr. Klinker has had previous organization work and his efforts look to be headed in the right direction. The movement is intended eventually to cover all of Sierra county.

Miss Florence Cerro is in Sacramento spending her vacation.

A. F. Heether attended to business affairs in San Francisco recently.

Eddie Carey, an employe at the Gaston mine, had his arm caught in a moving belt at the mill Wednesday, fracturing th ebone. He was brought to the Nevada City Sanitarium where Dr. R. F. erner took charge of the case.

Sidewalk coasting cost injuries to Dickie Bennetts and Mary Jane Warnecke last week when their scooter got out of control. A broken arm was the casualty suffered by young Bennetts.

Mrs. Alice Calkins, assistant postmaster at the Grass Valley office, has tendered her reignation and will go to San Francisco to live .She has been connected with the office for the past twenty years.

George Levee and George Williams of Lowell Hill were business visitors during the week.

Mrs. Anna Tucker visited her son, Eugene, at Reno recently.

Subscribe for The Nugget.

NEW DIRECTORY GIVES VALUABLE INFORMATION

The new directory of advertising rates in weekly, semi wekly and tri weekly newspapers of the United States issued annually by the American Press Asociation of New York City was off the press last week and gives some illuminating statistics on Nevada county which are worthy of reprinting.

There are but eight counties in the state that show a higher per capita bank deposit and five of these have large cities. Our bank deposits show an average of $438.16 per person which shows that our county has considerable wealth. There are 18 automobiles per one hundred people and our average of telephone users is well up in the list.

The circulation showing of The Nugget is an excellent one and shows a constant increase. Complete statistics regarding the paper are carried in the issue.

W. J. Williams was hurt while at work at the Steger mine on the Forest Hill divide last week and was taken to an Auburn hospital.

F. M. Fraser and son have sold their store business at Sierra City to J. M. Herron of Tulare who proposes to conduct a general store.

Mrs. William Zadow of Klamath Falls attended the funeral of her father the late Phillip Derrig. She visited at the home of Mrs. Louisa

August Carino of Forest was in Nevada City the latter part of last week.

The fruit packing house at Grass Valley will open Thursday for active operations.

FRANK BOST PASSED AWAY ON FRIDAY

Charles Frank Bost, long a resident of this section, passed away Friday afternoon following a long illness which had incapacitated him. He was born on the Bost ranch on Gold Flat July 28, 1870 and would have been 59 years of age yesterday had he lived. He followed the occupation of mining his entire lifetime. He was a member of the California National Guard for twenty years prior to its dissolution.

Surviving are two brothers, Ben A. Bost and Fred W. Bost. Two nieces and two nephews also survive, Mrs. Hazel Walmsley of San Francisco, Mrs. Margaret Browning of Fresno, Dr. Carroll Bost and Dr. Crawford Bost of San Francisco.

Funeral services were held Saturday afternoon from the Holmes chael.

Mr. and Mrs. A. E. Watson of San Francisco are visiting Miss E. M. Watson, at the Nevada City Sanitarium. Mr. Watson was formerly a business man of Nevada City.

Winter sports for Sierra county are being boosted. This should mean an earnest eforft to kepo pen the YubaP ass throughout the winters hereafter.

E. D. Bridges, Civil War veteran, is visiting his son, Burtic C. Bridges, and undergoing medical treatment at Alameda.

Mr. and Mrs. S. Lee Leiter are spending some time in San Francisco.

The Yuba Pass highway between Downieville and Sierra City will be closed to all travel Thursday for a period of 30 days while highway construction work is going on.

FORESIGHT

THE HISTORY OF CALIFORNIA is a story of achievement. It is written in the biography of men and women who had the ability to foresee and the energy to make their plans come true. The pioneers who looked far over the untilled country glimpsed what the future would bring. With their foresight as inspiration and guide, they began.

Another generation has taken up their work. In the fertile fields, towering cities, busy factories—all that is California—is a record of accomplishment—of foresight justified.

The Bank of America is proud to have aided in this achievement, and it is confident that the future will be far greater than the present. It is planning and building for this future.

More than half a million depositors testify to the value of its state-wide service and broad experience. To present customers and to those who will become new depositors day by day, the Bank extends whole-hearted and able co-operation.

FOREIGN BANKING

The Foreign Department of the Bank of America affords complete and helpful facilities to those who contemplate foreign trade or travel. Consultation in person or by mail is always invited.
